Ap Vs Human Dmg Bdo

With the removal of the Renown Score in Black Desert Online, only the AP & DP Bonuses are still in the game. The extra AP Buff doesn't count towards the. Activate by pressing Q, while you have Shards of Darkness Much longer than that of an average human, Cartian is believed to have settled near Hexe Sanctuary, with one of the. Players that reach a certain AP will receive an extra AP Buff while reaching certain DP will result in an% extra damage reduction buff. What can i say, in this video i'm testing the base, pure AP dmg from Nouver against the ' Monster Dmg ' one from Kutum and the ' Special attack ' from Rosar, just to see if those effects are. Only way to get a real test is to use elixir or accessories, im sure someone can link the liverto vs kzarka stats from the leaked files to show why thats not human dmg vs no human dmg (dont have link to the sheets here). From BDO WIKI With your attacks, which float around your character Use of this skill will consume Shards of Darkness to increase AP and restore MP.

Your test is flawed bcoz you used too low awk AP. I did some test few months back with 235AP witch and figured that the human dmg is adding static dmg to the final dmg done, for example if you have 40 human dmg from buffs and you normally do 400dmg you will be doing 440 dmg with the human dmg per skill.
