No more disc exchange and concern about where all the games can be saved to be available (they are now) all in one cupboard, along with GameCube).. I can not say if there is an alternative to direct copy of channel data from an SD card.. You agree to abide by all applicable anti-corruption laws, including laws prohibiting illegal payments to third parties for a corrupt purpose in relation to these circumstances.. I am using another SD card for the transfer process, the data from my other SD card can not be formatted.
